You are the real speech and you are the real awakening. You are the real spirit of joy. You are the real universal divine knowledge. You are the incomparable everlasting real supreme joy. You are the perceptible/actual divine substance) or as cause of the universe or an enigma. You are the actual knowledge and actual science and intelligence. (the meaning of science is spiritual experience)

The whole world is produced from you. The whole world exists because of you. The whole world merged into you. The whole world again one can experience in only you. You are the Earth, water, air, fire and sky (the panchamahabhutas-the five elements). You are the four states of speeches. Sounded soul which is the origin of the Lord Ganesha is the self existent everlasting unexpressed total universal divine knowledge. The three states creation, maintenance (taking care) and destruction are originated from Lord Ganesha (Matter is originated from sound. The protons, neutrons and electrons are made up of atom. Atom is made from matter.) Proton, the creator (God Brahma), neutron the care-taker (God Vishnu) and electron the destructor (God Shiva). The five elements are originated from Lord Ganesha. From Ether the air is originated, from air the fire is originated, from fire the water is originated, from water the earth is originated. A human being is also originated from these five elements by processing cosmic energy. Lord Ganesha is the self existent original sounded soul. The knowledge of sound is visible or invisible. We can hear it but cannot see or feel it. Lord Ganesha (sound) is soul and the universe is the body. The source of words is from Lord Ganesha -the original sound. The four states of speeches are para, pashyanti, madhyama and vaikhari. The place of para is deep down inside the region of naval. The place of pashyanti is in the heart. The 'Madhyama' is the throat and 'Vaikhari' is the movement of tongue and lips. It means the presence of Lord Ganesha (sound) is present in all the objects in the world.
